Some closures may start and end later. All closures are weather permitting and subject to change.

The work on I-710 is part of a \$150.7 million pavement rehabilitation and bridge widening project that stretches 3.7 miles from Bell to East Los Angeles.

The project is scheduled to be completed in summer 2021. Flatiron Construction is the contractor.

California drivers will see more work to road resurfacing and bridge improvements on freeways as a result of SB 1, the state's new transportation funding.
